

2022-23 TUITION

Tuition is based on a 36 week school year, broken into 10 equal installments. The installments are not monthly payments, as each month has a different number of weeks. Rather it is simply a 36 week total divided into 10 equal installments, September through June. VNB is transparent about all tuition and fees. No need to register first to discover what the tuition is!

***A note about Nutcracker Fees:** We do not hold auditions and force students to pay to audition or take the summer program to be in The Nutcracker, as some other schools in the area do. We do not force you to volunteer and charge a non-volunteer fee, as some other schools in the area do. One school in the area is charging \$25 to audition plus a \$250 Fee PLUS costume fees of \$100-\$250 **per role** to just perform at a high school. Another is charging \$350-\$400 and the ticket prices are also much higher. Taking this into account, our fee is extremely reasonable.
